

RIDGEDALE'S SUMMER CHALLENGE IS ON!!

Math

MATH AND READING

JULY 1-AUGUST 19

For Incoming 1st, 2nd, 3rd, 4th, and 5th Graders

Another wonderful school year is almost over and summer vacation is about to begin! But that doesn't mean that learning stops!! We want you to keep up with your math and reading skills and avoid the "SUMMER SLIDE!"

We are challenging our students to read and practice math skills over the summer months. The expectations for each grade level are listed below. You must reach or exceed the reading minute goals for your grade level AND complete the math activity calendars to be able to participate in the **BIG CELEBRATION**. We will reward all our summer readers and mathematicians with a **TAILGATE PARTY** filled with food, fun, and games!

The Grade Level Expectations for The Reading and Math Challenge are as Follows:

GRADE	READING GOAL	MATH GOAL
1 AND 2	700 MINUTES OF READING (that's approximately 10 minutes each day) Go to myon.com to choose books that interest, excite, and take you on magical adventures! Myon will track your minutes for you! OR PAPER/PENCIL RECORDINGS	Complete July and August Math Activity Calendars
3, 4, 5	1,400 MINUTES OF READING (that's approximately 20 minutes each day) Go to myon.com to choose books that interest, excite, and take you on magical adventures! Myon will track your minutes for you! OR PAPER/PENCIL RECORDINGS	Complete July and August Math Activity Calendars

Bring all reading logs and math activity calendars back to school with you on August 21!
